

St Gabriel's CE Primary School  
Sport Premium Tracker  
2022-2023

This table is to document any money that is spent using the Sports Premium fund. Please track what this money is being used for by tracking the cost and the impact on the pupils in your school.

St Gabriel's Primary receives: £17,620

Area	Product/Service	Cost	Impact	Sustainability for the future
4	Audit of PE equipment in school and new equipment for PE sessions to be ordered. Different sports taught due to new scheme and broader range offered.	£2000	Children will be able to access the full curriculum using the correct equipment needed for the lesson and skill.	These will be used within lessons for the foreseeable future and will be used to improve the children's: participation and engagement within PE  - Continue to monitor across the year for wear and tear.
1	Get Set for PE Membership	£550	A membership to an updated and improved scheme of work with access to videos for CPD for staff	CPD for teachers by PE specialist to deliver this Get Set for PE scheme
3	Active/ Positive playtime resources	£1500	Children and staff will have resources to facilitate active playtimes. Purchase of additional playtime resources and replacement of lost or broken resources will ensure children have access to a wider range of resources which encourage active play.	This will be used across the year and will support children's play times and lunchtimes allowing children to remain active.  This will also be monitored across the year for wear and tear as well as ensuring its impact.
4	Additional sports enrichment days. Days where children get to try	£200	Children will be exposed to a variety of sports. This will increase children's confidence in sport and	The aim of this is to increase children's confidence in sport and give children another sport to trial

	out sports in addition to their curriculum PE.		give children another sport to trial in which they could find lifelong enjoyment.	in which they could find lifelong enjoyment.
5	Promotion of local clubs through assemblies, visiting coaches, try it out sessions and signposting local clubs to families.	£300	Children will be exposed to a variety of sports and clubs this could increase children's confidence in sport and give children something to do outside of school.	This will develop links within the local community and working closely with local clubs and coaches to promote the opportunities in local areas will lead to a building of relationships within school, the community and clubs.
5	Sports competitions in school and across the trust.	£1000	The children will work collaboratively with children from other schools and take instructions from sports leaders. Developing knowledge of competition and team events.	These events will run every year with a variety of themes / sports throughout linking to world sport events
4	Membership to KSSP (SLA)	£1300	The children across school will benefit for taking part in competitions at LA level. They will be able to take part in sport development events and take part in sports otherwise they would not access.	These competitions develop children's skills in different sports areas but also obtain links to next level competitions and local sports teams.
2	PE kits for children	£1000	This will ensure children are prepared and ready for PE children will also be wearing the correct clothing to ensure the PE sessions can be carried out safely.	These kits will be used throughout the school year and between different classes. They will be washed and reused and replaced when needed.
4	Y6 Residential	£2000	Pupils get to experience a range of sports that are not a part of their unusual PE curriculum. This also	The impact of these experiences on the pupils is lifelong. They have created memories. The pupils may

			creates a lasting impact with the pupils as they are working as a team.	also find additional sports/hobbies they enjoy which they could be signposted to take up further.
3	Sports competitions Travel	£3200	Pupils are transported to a range of competitions throughout the year. Children are able to access competitions across the LA and for children of all ages and abilities and competitions specifically designed for SEND pupils.	Pupils developed their passions for individual sports and then are signposted to local sports links.
4	Football Goals	£1690	Pupils in school of all ages through sports council asked for more goals to develop their football skills in both after school clubs / playtimes and lunchtimes. (KS1 / KS2)	Maintain use of these and service throughout year to allow for better upkeep and continued use.
4	Physical sports resources for EYs	£2880	Physical Development of EYs pupils scooters, parachutes, balls, balancing equipment	
Total Spends		£17,420		

Percentage of Y6 pupils who can):	%
